Our Sai Page

The Divine Mother's Love

Mother's love is more fragrant than the jasmine flower;
It is more tender than the Champak creeper;
Softer than the creamy layer of cheese and butter;
More beautiful than the peacock's eye;
And more soothing than the full moon light.

-Baba

FOREWORDS

It is my pleasure to present the 35th Annual Report of Sri Sathya Sai Gramin Jagriti. Our organization continues to strive for the betterment of society, with a focus on education and healthcare. We continue receiving grace of Bhagwan Sri Sathya Sai Baba and we are very aware of the fact that the evolution of this project is directly proportionate to our own evolution.

In the healthcare sector, our health wing provides basic health-promoting activities, offering free or low-cost facilities to patients from near and far. We are committed to making quality healthcare accessible to all. Drug store is doing yeoman service by providing low-cost medicines.

At our secondary school, most humbly, we are proud to highlight two significant developments.

Firstly, we have introduced NCC training in the

school to inculcate discipline, self-confidence, and a deep interest in pursuing a career in defence forces. This initiative aims to shape our students into responsible and patriotic citizens. Secondly, our students have achieved outstanding results in the 10th class examinations. The highlights of the results are:

- * 100% pass percentage of 29 students
- * 23 students scored more than 75% marks with 6 students out of these 23 students scoring more than 90%
- * 6 students secured 1st division
- * 2 students scored 100 marks in English
- * 3 students have been declared by Board of School Education Haryana to receive meritorious scholarship.

In the field of sports also, the achievements are no less. The details are given inside. These achievements reflect the hard work and dedication of our students and teachers. We are proud of their success and look forward to continued excellence.

I would like to express my gratitude towards Bhagwan Baba and appreciation to everyone involved in making our efforts possible. We remain committed to our mission, inspired by the ideals of Bhagawan Sri Sathya Sai Baba.

Thank you, Swami!

1. Introduction and brief history

Sri Sathya Sai Gramin Jagriti Sewa Sadan is a multi-dimensional rural based service (*sewa*) project gifted by Bhagawan Sri Sathya Sai Baba to the northern part of rural India with the dual purpose of self-evolution of the volunteers (*sewa* workers) through selfless service and empowerment of the beneficiaries through the various services of this project. It bears the name of Bhagawan Baba, because it follows the lofty Sai principle of “selfless service” with “love” as a mode of liberation.

It was in 1990 when Lord Sai blessed one of His outgoing MBA students of Sri Sathya Sai Institute of Higher Learning and inspired him to work in setting up of a multi-dimensional rural empowerment programme. The “*sewa*” work in this project was started on 13th April, 1993. Since then, Swami has been guiding, inspiring, and protecting us at every step. Important physical milestones in the history of this project are as follow:

Important milestones: **Bhoomi Puja** of the land, gifted by the then Gram Panchayat of village Darwa (Yamuna Nagar, Haryana), was performed on 13th April, 1992. Foundation of the hospital building was laid on 27th September, 1992. The *sewa* work in the project was started in the form of a **dispensary** on 13th April, 1993. Next year in September 1994, **Masala** (spices) production centre was commissioned with a view to provide vocation to EWS of the rural women.

Sri Sathya Sai Jagriti Vidya Mandir was inaugurated on Swami’s 71st Birthday (23rd November, 1996) by a long time Sai devotee -Mr Justice R.Sridharan, the then Chief Justice of Punjab & Haryana High Courts.

The “**Parshotam Loomba block**” of 6 bigger rooms in a 3-storey format, specially designed for housing a Sai Mandir, conference hall, library, science laboratory and a computer laboratory, was completed in 2009.

The major boost to the working of the Project in general and Sri Sathya Sai Vidya Mandir in particular, was received on 19th June 2010 when **Sri Sathya Sai Vidya Vahini** was gifted to school by Bhagawan. This has brought in the cutting edge of latest technology in secular (text book) and value-oriented education.

“**Sai Kitchen**” was commissioned in September 2012 to supply freshly prepared, tasty, and nourishing vegetable curry every day to all the students free of cost.

On Baba’s 88th birthday (23rd November, 2013), a multi-purpose assembly hall (**Sai Balraj Gupta Hall**) was inaugurated by Mr Justice K.C Puri, Hon’ble Judge of Punjab & Haryana High Courts, Chandigarh.

With Sai’s loving grace, the school has been affiliated to the National Council of Sri Sathya Sai Schools in 2013. **Thank you, Swami!**

In April 2015, the sports ground of the school was developed fully, into a stadium for training and organising the games of foot-ball, hockey, Cricket, volley ball and track events. A state of the art, Basketball court was commissioned in March 2016.

In 2017, the extension of the Balraj Gupta Assembly Hall and addition of a balcony was undertaken to accommodate the ever-increasing audience, attending Baba's birthday and school Annual Day programme.

In April 2018, a 15KW "on-grid" solar power plant was installed on the roof top of the school. The plant is generating more power than the requirement of the Sadan.

In April 2022, the Diagnostic lab was upgraded with state-of-the-art equipment and In July 2022, a generic medicines drug store opened to sell generic medicines at low cost.

2.The Society

2.1 Membership:

The society is registered with the Registrar of Societies & Firms, U.T-Chandigarh in 1990. There is **no membership fee**, only contribution of "Pure Love" is required for Life time Membership of the society. As on this day, there are 47 members on the rolls of the society. None of the members or their relatives is gainfully employed in the project. The services of the members are purely selfless in nature and no remuneration/perk in any form is ever paid to any of the members. Full list of members/Governing body members is given on pages 54-58 (annexure IV). Commissioner, Yamuna Nagar Corporation and Director Urban Local Bodies Haryana are the permanent nominees of the Govt. of Haryana in the Governing Body of the society.

2.2 Funding:

The society receives unsolicited donations in its scheduled Bank accounts and no donation box has been kept to receive loose cash donations. The payments of all purchases etc. are made on regular bills. The salaries of the teachers and other staff members are credited to their bank accounts directly. At the end of the financial year, the accounts are audited by a chartered accountant. The balance sheets; receipts & expenditures statements and audit report (please see Annexure V, page 59 onwards) are prepared and presented in the Annual General Body meeting for its approval. An analysis of the data of this balance sheet and comparison with last two years is, however, presented in chapter 9 of this report (page 40-43).

3. The Project

3.1 **Theme of the Project is reset:** The theme of the project was initially conceived to be “Manav Sewa is Madhav Sewa”. But this theme has since been reset by Bhagawan Sri Sathya Sai Baba on 02-01-2011 during the last interview, graciously granted to the management committee members, when Swami emphatically told them, “If you love me, love my words.”

3.2 **Location of the Project:** The project centre is situated on the bank of Yamuna canal, 7.5 kms from Yamuna Nagar on old Saharanpur (Jhhota) road at village Darwa in Tehsil Jagadhri of Yamuna Nagar district (Haryana) Pin 135101. The village Darwa has now been included in Yamuna Nagar Corporation, but the project work continues to serve the rural neighbourhoods.

3.3 The Beneficiaries:

The project has two types of beneficiaries:

Adopted: Three villages are adopted for sew activities:

| | |
|-------------------------------------|---------------------|
| 1. Darwa with population: | 1095 |
| 2. Darwa Majri with the population: | 1162 |
| 3. Parwalon with the population: | <u>1693</u> |
| Total adopted Population: | 3950 (Families=520) |

In an economical survey of the adopted families, it was observed that 12% families are having good regular income from the farms or regular employment, 36% families are living on income from daily wages or irregular employment and the rest 52% are living “below poverty line”.

All the services rendered by the Sadan are totally free to the population of these three adopted villages.

Non-adopted: Besides the adopted beneficiaries, unspecified number of patients from the surrounding and far off villages/cities of Haryana, Punjab, Uttar Pradesh, Himachal and Uttaranchal, visit **Sadan** every day for free consultation. The poorest of the poor amongst the non-adopted patients are also provided free medicines and investigations. Subject to the availability of the seats, students from various non adopted surrounding villages are admitted to the school through a transparent open lottery system.

Quality (and not the quantity) is the hall mark of all the activities.

3.4 Components of the Project

There are three wings of the Sadan:

1. Education Wing- Sri Sathya Sai Jagriti Vidya Mandir
2. Health wing
3. "Masalas" Production centre

These three wings derive their inspiration and energy from the fountain head of energy that is- "The Spiritual Activities".

The satellite panoramic views of the project site

Out of the total area of 7 acres of the land in possession, the school premises is in 4.17 acres (60%) and the remaining 2.83 acres (40%) has the Hospital and residential premises. On the northern side of the campus, is Darwa dairy complex, on the southern side; agriculture farms and Yamuna Canal. The eastern side, the vacant land is reserved for the society to expand its project and Darwa village is on the western side.

Geo -coordinates of the site:

Latitude: 30° 07' 45.40" N

Longitude: 77° 19' 33.23" E

4. Sri Sathya Sai Jagriti Vidya Mandir -a “Sri Sathya Sai Vidya Vahini”, “Sai School”

Highlights:

- Regular co-educational bi-lingual school from pre-nursery to 10th class, recognised by Govt. Of Haryana and affiliated to Board of School Education Haryana, providing a high quality, but totally free education to the rural students. Affiliation to CBSE is awaited.
- Special emphasis on “Education in Human Values”-Sai Educare
- The introduction of the newer concept of “Experiential learning”
- Clean, safe, and hygienic environment with provision of safe drinking water, separate toilets for boys & girls.
- Qualified & trained teachers with teacher/student ratio as 1:21. Specialist teachers in Science, Sanskrit, Music, Computer Science, Physical training, and a Librarian. Regular in-service training for the teachers.
- Thirteen (13) e-class rooms: each having LCD projector/LED HD Smart TV, screen, green board, and Wi-Fi /LAN internet connectivity for free access to the vast teaching material available on Sri Sathya Sai Vidya Vahini LMS Portal.
- Well-equipped science and computer labs. Facilities for LCD, slide, and overhead projectors. A well-stocked School library.
- Well organised school annual calendar for sports, co-curricular activities, and community services.
- Regular health check-up with 100% free immunisation against Hepatitis A Hepatitis B and MMR. Regular Vit D + Calcium

supplement for all. Free supply of freshly prepared vegetable curry with rice from Sai Kitchen.

- Parental involvement (Parenting) in overall personality development of the children by regular Parent-Teacher Meetings.
- Post-schooling career counseling and financial/logistic support including gifting Laptops to meritorious students pursuing higher studies.

With loving grace of Bhagawan Sri Sathya Sai Baba, Sri Sathya Sai Jagriti Vidya Mandir has been declared as a “light House School” after a detailed audit by Sri Sathya Sai Vidya Vahini Foundation.

To explore this fountain head of gifted “knowledge”, the school is adopting the system of Sai Educare. Under this system, an equal and balanced importance is given to both “secular” (board syllabus education) and “EHV” (Education in Human Values). According to Sri Sathya Sai Baba, both components of child development are like the two wings of a flying bird, essential for him/her to fly in the mundane world.

Education is for Head, and Educare is for Heart!

-Sai Baba

Sri Sathya Sai Vidya Vahini programme and affiliation to National Council of Sathya Sai Education, are providing the technology and continuing training to the teachers, thus giving impetus of achieving the goal laid down in Sai philosophy of education- “Sai Educare”

The importance of moral education is the basic principle of the Sai Education philosophy. *Bhajan* singing and *Vedas* recitation are the regular features of the Morning Assembly. With the Institute of Sathya Sai Education (Mumbai) taking over the school under its wings; the new concept of “Experiential Learning” has been introduced in the school. Sincere efforts are being made to develop the “Character” of the young ones by an integrated approach involving students, teachers, and parents through medium of “LOVE”, balanced with “Law”.

Infrastructure: With Loving grace of Sri Sathya Sai Baba, the school management has been able to build a state-of-the-art infrastructure for the children to bloom into useful individuals. There are thirteen (13) e-class rooms for the senior classes, each having a LED projector, internet accessibility, dustless chinks, and green boards. The school has an assembly hall, a well- equipped Computer lab, a composite science lab, a mathematics lab, a well- stocked library, and a “Rainbow” room wherein projects models and charts prepared by the students in the past, are stored.

The conference room, the computer lab and the Balraj Gupta Assembly Hall have also been provided with LED projectors. Sports grounds for football, hockey, athletics and Volley Ball already exist. Basketball court is an added asset in the school.

The library has a stock of the library has a stock of 4021 books. (Reference books 1240, Academic: 1284, Story: 565, Spiritual: 745, General Knowledge: 60 , Moral Science: 24, Magazines: 103). There is a qualified librarian who manages the working of the library.

All class rooms are connected to the Headmistress office through PA system. Security CCTV cameras have also been installed in class rooms and corridors.

The student

During the academic year of 2024-25, the total strength of the school was 442 students, with 46.6 % boys and 53.3 % girls. Most of the students (84.8%) were from socio-economically backward classes. Although there is no caste-based discrimination of students in the school in any manner yet the detailed break up is given below to meet the information requirement of the Education department under RTE.

| Category | SC | | BC | | Gen | | Total | | Grand Total |
|----------|-------|-------|------|-------|------|-------|-------|-------|-------------|
| | Boys | Girls | Boys | Girls | Boys | Girls | Boys | Girls | |
| Number | 120 | 130 | 57 | 68 | 29 | 38 | 206 | 236 | 442 |
| %age | 27.15 | 29.41 | 12.9 | 15.38 | 6.5 | 8.6 | 46.6 | 53.3 | |

There are separate sections for boys and girls from 7th to 10th class.

The primary classes follow the Haryana Board curriculum in English medium. But, to bring these rural students at level ground with urban children in competing for admission to professional courses, the medium of instructions for the subjects of Mathematics and Science of 1st to 10th classes have been changed to English. The medium of instruction for the subject of Social Studies is being gradually changed from Hindi to English. Sanskrit is, however, a compulsory subject for all the students. There are two sections, separate for boys and girls, in each of 8th, 9th and 10th classes. **The application for affiliation to CBSE is under process.**

The school computer laboratory has 16 computers for a class of 35 students. Use of computer technology under the aegis of Sri Sathya Sai Vidya Vahini has not only made the subjects interesting and comprehensive for the students, but it is also inculcating the “moral values” in them.

AUM SRI SAI RAM

SRI SATHYA SAI JAGRITI VIDYA MANDIR (The infrastructure)

Connection to the modern world: The fully Air-conditioned Computer Lab is equipped with 16 computers wherein the students learn how to make the presentations (ppt's), prepare Excel sheet, write in MS Word, and search material for their different subjects. A qualified teacher has been employed to guide & help them. The whole school building is Wi Fi enabled by optic fibre BSNL internet

The library is a garden of silence for the students to comprehend and expand their knowledge by reading books on various subjects. The school library is very spacious and well lit. It has a stock of 4021 books.

The SSSVV e-class rooms: All the classes have been fitted with either LED projector or HD smart LED TV, each class room also has a green board. Children are taught the subjects using updated educational videos and lessons down loaded from Sri Sathya Sai Vidya Vahini LMS portal.

4.1 Academics: The Academic year started with “shala Parvesh ceremony The day began with the sacred Hawan Ceremony. Our newly appointed teacher Mrs Anu Panjeta and her husband Shri Gurjinder were the Yajmaan of the day. The students from 6th to 10th class attended the Ceremony.

The working day in the school were 253 days during the year 2024-25.

The **Teacher /student ratio was healthy at 1:21** with 21 qualified and

experienced teachers for 442 students. To encourage healthy competition among the students, **Balraj Gupta Medal** is awarded to the best outgoing student of the school every year. Based on well-developed protocol of selection, it carries a cash award of ₹11000, a merit certificate and a “Medal”. Miss Vanshika

daughter of Smt Pooja and Shri Mehar Chand of Darwa village was awarded Balraj Gupta Medal this year.

Analysis of the students who left the school in session 2024-25

Class wise

| Class | I | II | III | VI | VII | VIII | X | Total |
|----------------------|---|----|-----|----|-----|------|---|-------|
| Nos of students left | 1 | 1 | 1 | 1 | 1 | 2 | 2 | 9 |

Reason wise:

| Reason | Slow Learner, SLC was given on parent's request | Families shifted to other places | Admitted to Gurukul | Admitted to other schools due to family issues | Total |
|----------------|---|----------------------------------|---------------------|--|-------|
| No of students | 04 | 02 | 01 | 02 | 09 |

The Annual Results:

The Annual examination results of 10th class conducted by the Haryana education board has been excellent for our school. The three-year results are tabulated below for viewing the progress made in academics:

| Year | No. Of Students | Pass %age | Merit >75% | 1 st Div. 60-75% | 2 nd Div. <60% | Reappear |
|----------------|-----------------|------------|-----------------|-----------------------------|---------------------------|----------|
| 2022-23 | 34 | 88.2 | 9(26.4) | 13 (38.3) | 8(23.5) | 4(11.8) |
| 2023-24 | 41 | 100 | 28(68.3) | 12(29.3) | 1(2.4) | 0 |
| 2024-25 | 29 | 100 | 26(89.7) | 3(10.3) | 0 | 0 |

Note: Figures in parenthesis are % age

Three students were awarded scholarship for scoring > 95% marks.

STAR STUDENTS OF THE YEAR

Sukanya topped the 10th class exam result scoring 96.4 % marks (with 100% in English language). She presents an excellent performance in academics, discipline, punctuality, bhajan singing, participating in school activities, etc. She topped in on-the-spot Essay writing competition, conducted by Sri Sathya Sai Sewa Samiti Yamuna Nagar. She has been a creative participant of Heritage group too. Her dream is to become a civil servant (IAS).

Master Kunal secured a meritorious position in the Class 10th board examinations, demonstrating his academic excellence, scoring 96.2% (100% marks in English language). He proved himself to be an outstanding basketball player, showcasing his athletic and teamwork skills. He was the Head Boy of the school for the 2024-25 session, leading his peers with confidence and poise. Exhibited sharp-mindedness, confidence, and leadership qualities.

4.2 Co-curricular activities:

“Communicative skills and confidence building” have been identified as two areas of concern in the rural education. Regular classes of senior students in General Knowledge and Awareness are conducted on Sundays. In the field of personality development of the children, co-curricular activities play an important role. The school has a regular calendar of such activities.

The details of other ancillary activities including Baba’s birthday Celebrations are given in Annexure II (P 51-52).

4.3 **'Heritage' Club Activity:** INTACH -Sukanya won the prize for Young INTACH Best Heritage Club Student 2024-25. She received a certificate and a Quote Diary.

4.4 **Visitors and their remarks:**

* Sh. Shyam Uchil - (Mumbai West) Resource Person during Phase II Teacher Training Workshop (1.6.24-7.6.24): "This institution is undoubtedly playing a major role in spreading the light everywhere from the light lit long ago by Bhagwan Baba. All the teachers and management is contributing handsomely in Swami's divine mission."

* Smt Sudha Devi. (Chennai) Resource Person during Phase II Teacher Training Workshop (1.6.24- 7.6.24): "School environment is very welcoming and conducive to learning Provision of free education is truly commendable Teachers are exceptionally dedicated Management team is doing fantastic job of serving village people."

* Sh Sunil Phull, Chief Guest on 25th August District president Sri Sathya Sai Sewa Organisation Yamuna Nagar : "Feeling honoured to be invited as a guest on the sacred occasion This is the best institution where students are imparted moral education along with regular studies This institution is an example of sewa where patients are treated free of cost, village women are also employed. Thanks Swami.

4.5 **Sports:**

The school provides infrastructure for developing sporting talent of the children. The basketball court and an accomplished coach have proved to be boons to the students to learn this beautiful game of physical endurance and skills. This year, we had a versatile female Yoga coach also who has trained the team of students to go up to the state level. The junior school are having a daily session of one hour of yoga. Some of the students are being trained in Tejli sports stadium of the Govt of Haryana. One student Master Aryan Pal has been admitted to Football Academy where he is being trained as a residential football coaching facility.

The school has produced national level girls football players (Komal, Simran and Priti) in the past. They have represented the state in National games. Our basketball players have gone up to state levels. Yoga players have played the national games.

The achievements of students in various sports disciplines over the year are tabulated below:

| Name of the Sport/Category | Name of the Tournament | Place/Date | Achievement | |
|--------------------------------------|------------------------|--|--|---|
| Athletics – U-14 100 mt race | Block Level | Damla 24-08-2024 | Parul (VI) | 1 st Position |
| Shot put throw Discus Throw | Block Level | Damla 24-08-2024 | Dakshita (IX) | 3 rd Position |
| Yoga U-11 | District level | Guru Nanak Girls Khalsa College 23-08-2024 | Mukta (V) | 3 rd position |
| | | 22-08-2024 | Raman (I) | 3 rd Position |
| | | 30-08-2024 | Yavneet (III) | 2 nd Position |
| | State Level | Rohtak 19-21October - 2024 | Yavneet Tanish | Participation Participation |
| Yoga U-14 | District level | GSSS Model Colony 28-08-2024 | Kunal (VI) | 4 th Position |
| | State Level | Yamuna Nagar 09-10-2024 | Kunal | Participation |

Achievers in sports

Yavneet of 3rd class won the 2nd position in the district U-11 Yoga championship went to represent Yamunanagr district at the state level

Dakshita won bronze medal in U-17 State wrestling championship

Shri Sathya Sai Jagriti Vidya Mandir won the bronze medal 🏅 in u 19 District basketball championship held at Arya Kanya school jagadhri

Wrestling session in the school wrestling academy

Yoga for all. Junior section doing yoga on daily basis

4.6 National Cadet Corps Activity: With grace of Bhagwan Sri Sathya Sai Baba, we have recently subscribed to the NCC training in our school. The Haryana 14th NCC Battalion started the training of our students on 25th January, 2025. To begin with 24 cadets got selected after the physical and

written assessment exam. Since then, the school's NCC unit has been actively engaged in fostering discipline, patriotism, and leadership skills among the students. Twice a week, on Fridays and Saturdays, 49 cadets undergo rigorous training under the guidance of PI Staff from NCC battalion and ANO -Ms. Khushi. Our school extends its support by providing refreshments to the cadets on NCC days. A notable highlight of the year was the participation of senior 24 cadets in the NCC camp held at Saraswati Vidya Mandir, Yamunanagar, during their summer vacations. This camp provided a valuable opportunity for our cadets to develop their skills, and gain hands-on experience.

4.8 Veda Chanting: Baba, who is the Veda Purusha, has educated us time and again on the supreme benefits of chanting Vedas. Every activity gets started with Vedic chants which leave the whole place charged with divine vibrations. In fact, "Veda Chanting" has become an integral part of His education system. The last 10 minutes before the school dispersal, mass "Sai Gayatri mantra" is recited by all the students and teachers. Veda chanting training is imparted by Mr. BALASUBRAMANI CHANDRASHEKHAR (popularly known as Mr CBS Mani) by his biannual visit to the school and weekly online Veda chanting classes.

4.9 School Health Programme:

The health of each student is monitored by maintaining his/her health card. Besides regular medical/dental check-up and deworming of the school children twice in a year, all new admissions were immunised against Hepatitis A and Hepatitis B and MMR (Measles, Mumps and Rubella), thus achieving 100% immunisation in the school. The anemic children are given oral iron on regular basis. Every student received Vitamin D and Calcium supplement on 95 days in the calendar year. The results of these health providing programmes are encouraging in terms of gain in height, alertness, and mental ability of the students. Mid-day meal is provided by "Sai Kitchen" to all the students free of cost.

Immunisation against Hepatitis A: This year, all the students were immunized by a single shot Hepatitis A (Biovac A) on 3-09-2024 and 122 target girls were immunized against cervical cancer with two doses of Cervavac (19-10-2024 and 24-04-2025).

Eye Checkup at Raghav Gupta Hospital: A preliminary checkup of all the students of the school from 6th to 10th classes on 27th and 28th August and the 52 children having suspected eye problems were examined by Ophthalmologist Dr Raghav Gupta. 34 students were found to have vision issues for which spectacles were prescribed.

Fruit and Ice-Cream days in the school: To emphasize the importance of fruits in the diet instead of fast food, Fruits/Ice-cream days are observed. "Happy faces" enjoying the fruits and Ice -Cream. Fruit- day were observed on 2-7-2024 (Mangoes), 30-01-2025 and 11-02-2025 (Oranges)

4.10 Student's trip to Prasanthi Nilayam : Two separate group of boys and girls with their respective teachers visited Prasanthi Nilayam. Mr Sahil lead a group of 8 boys from 1st January and Smt Neha with a female attended accompanied 9 girls from 4th January. Students were immensely blessed by Swami's divine grace as they had the golden opportunity to visit His sacred abode Puttaparti in the winter vacations. Boys and girls went separately in two groups accompanied with a teacher. They got an opportunity to visit Sri Sathya Sai Vidya Vahini

Centre and had an interactive session with the science faculty. This unforgettable experience filled their hearts with love, devotion, inspiration, new energy, and gratitude.

Boys visiting the Gokulam in Prasanthi Nilayam

The girls with their teachers are ready to visit various places of interest

4.11 Extending Help:

- Child adoption scheme: Any student who has either lost his/her father or whose mother has been deserted by her husband, was adopted under the “child adoption scheme” for the purpose of providing free books, uniform/shoes, and board examination fees. This year, twenty (20) such students had been adopted. Donors from U.K are adopting these children on regular basis.
- Providing books, shoes and vision correcting glasses on regular basis to all those students who cannot afford.
- Laptop computers: Till now, 17 (three this year) laptop computers have been gifted to deserving ex-students, pursuing professional careers.
- Career counselling: Regular meetings with these students are held. Such meetings provided the opportunity to counsel them on their problems encountered by them while pursuing higher studies and to guide them for their future career. Logistic support is also given to these students in “online” filing of applications, seeking of results, and guiding in admission process to professional courses.
- Financial support was given to economically poor students to pursue their higher studies. Prerna, Shivani, and Tanu are receiving financial support for B.Sc (Nursing). Details are given on page 53.

SCHOOL HEALTH PROGRAMME

Sa

Sai Kitchen was inaugurated in September 2012 to provide freshly prepared nutritious and tasty mid-day meals for all the students. The best of hygienic condition is ensured while preparing the meals. This meal is served free of cost to all the students during tiffin break.

The impact of this activity, inspired by Sri Sathya Sai Baba, is positive on the health of the children. They are eating well with the availability of fresh and tasty vegetable curry with rice.

The other health caring programmes for the school include regular biannual medical/dental check-up, 100% immunization of all the students against Hepatitis A and Hepatitis B and MMR (Measles, Mumps and Rubella). The anaemic children are given oral iron on regular basis. The teachers are also covered for immunization against Hepatitis B and Iron + Calcium supplement.

The Teacher

Sathya Sai Education in Mumbai on regular basis.

4.12 Teacher's training and their other activities: There has been emphasis to impart in-service training to school teachers under the philosophy of Sai Educare. The teachers are sent for various workshops/conferences whenever conducted by Sri Sathya Sai Vidya Vahini at Puttaparthi and Institute of Sri

The details of the activities under Sri Sathya Sai Vidya Vahini program and Institute of Sathya Sai Education (Mumbai) are given on page 46 (Annexure-I)

Teacher's Day Celebrations (05-09-2024)

The day began with Sarva Dharma Bhajans. A Garland Ceremony to honour Dr. Sarvapalli Radhakrishnan Ji followed by songs and poems. Tilak ceremony and heartfelt greetings were offered to each teacher. The program concluded with a serene Mangal Aarti.

Pupil-Teachers: Class X students stepped into the role of teachers for the day. With discipline and dedication.

Afternoon Gathering: In Balraj Gupta Hall, Respected Dr. Vinod Singhal, Sh. Maninder Bhatia, Sh. Roolpal Parmar Ji, Smt. Urmila Gupta Ji, our Headmistress and all the teachers assembled.

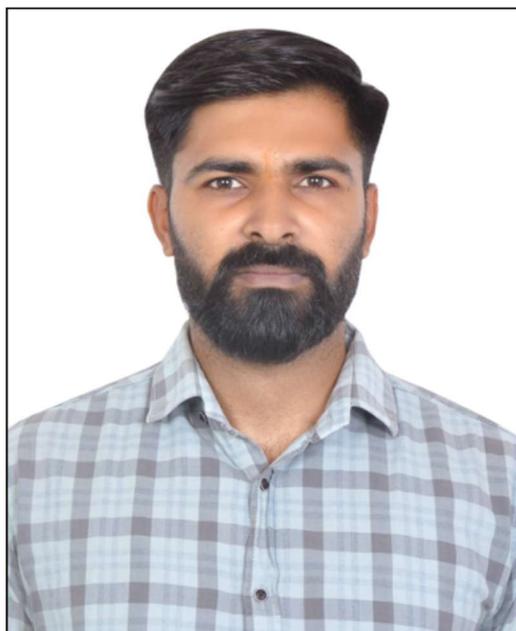

Pupil-Teachers shared their experiences, expressing heartfelt gratitude. Prasadam from our beloved Swami was distributed to each teacher. Refreshments added a delightful touch to the celebration.

SUCCESS STORIES OF ALUMNI

Many students have made their career successful. Tanuj (B.Tech), Komal (B.Sc Nursing), Anju (B.Sc Nursing), to mention a few. Some of them mentioned here as follows

Vivek, B.Tech Mechanical Work
Supervisor in Public Works
Department (B&R) Yamuna Nagar

Sahil Kamboj B Tech.
Mechanical- Currently working
in NG packaging Sonipat as a
quality supervisor.

Priyanka B.Sc. Nursing
Workplace: Glück im Winkel Germany
Designation: Pflegefachkraft

Monika B.Sc Nursing
OT Nurse in Gynaecology &
Obst, Sparsh hospital for
women and children Bengaluru

"Know Your Parent" Activity: As part of our ongoing efforts to strengthen the relationship between teachers and parents, our educators seriously focus on "Know Your Parent" interactions. This initiative enables our teachers to personally connect with parents of students who require additional support.

The objectives of these interactions include:

- Discussing the progress of slow learners and advising strategies for improvement
- Discussing concerns related to student behaviour, hygiene, and health
- Ensuring students arrive at school well-nourished and ready to learn
- Collaborating with parents to resolve behavioural issues

The open communication and mutual understanding, build a stronger partnership between teachers and parents.

Rotary Club Distribution

Rotary Club Riviera distributed gifts of socks and woollen caps to all the students of our school.

We extend our heartfelt thanks to all the members of society

Parenting Session: Parenting sessions are conducted twice a year during an academic year. The main objective behind this is to awaken the minds of our parents for their sole responsibilities. They are the role models and their attitude and behaviour is reflected in the children. So they are guided to maintain good family relationships, care of the health and hygiene of their wards, good habits, love and compassion and many more utmost important good habits that are needed to be taken care of at the homes.

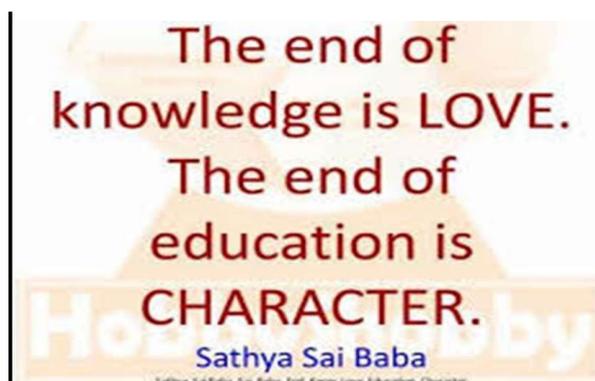

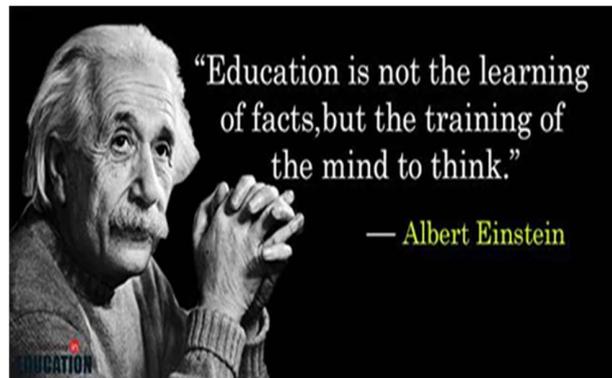

PARENT TEACHER MEETING

Parent teacher meetings are held after every periodic test to discuss the academic reports of the students. Teachers share the performances of the students. They also guide them to make their children regular, hygienic, and hard working. A total of six (6) PTMs are scheduled in an academic session.

4.13 Scope for improvement

- In general, the students lack interest in their studies. They do not engage in “self-study” at home. There is a scope for improvement in their written and spoken languages. The children lack etiquettes and respect for elders which need to be investigated. The students require regular training in improving their personal hygiene.
- Now, since the students have started getting admissions to professional colleges, they feel handicapped because of poor communication skills and lack of confidence.
- The involvement of Parents in the child development could be further improved by regular counselling of the parents.
- The teachers need to work harder to improve their teaching skills and make the subject lively, using teaching aids and free discussions.
- The menace and ill effects of fast food, use of mobile phone and watching TV for long time is a serious challenge for the teachers.

HEALTH WING

- Regular OPD for 5 hours daily from Monday to Friday and 3 hours on Saturday, manned by 2 qualified and experienced doctors.
- 300 mA digital X-Ray machine, ECG machine, and state of the art Laboratory facilities for routine laboratory investigations and full range of Physiotherapy equipment, manned by locally trained personnel.
- Regular Specialist clinics, once in fortnight for Internal Medicine and Dental patients run by qualified doctors. Daily Orthopedics and Gynae. Obst. clinics.
- School Health Programme
- A “24X7” Ambulance service for the adopted population.
- Generic Medicine Drug store

5.1 The beneficiaries:

Two types of beneficiaries are attending the Out Patient Department for seeking free medical consultation. Their beneficiary status and entitlement are tabulated below:

| The Class of Beneficiaries | Adopted | Non-Adopted |
|--|--|---|
| Constituents | 3 villages: Darwa, Parvalon and Darwa Majri with Population: 3950 | Pts. From near & far off places of Punjab, Haryana, Himachal, U.P, Uttranchal, Rajashtan, Delhi |
| Consultation fees | Nil, no registration fees | Nil, no registration fees |
| Investigations: Laboratory & X-Rays | Free for all | *Subsidised for all *Totally Free to ½ free for Poor |
| Indoor treatment expenses | 0 to 100% depending upon the Economic criteria | Self-financed |

The hospital building houses the outdoor medical examination facilities with provision for X-Rays, laboratory, dispensary and a generic medicine drug store. Four beds are available for observation of the patients. The patient waiting area and a canteen also exists in the hospital premises.

Specialists' clinics: A state-of-the-art Dental Chair has been installed to provide treatment to the dental patients. Besides the dental clinic, special clinics for "Internal Medicine" is also run in the evenings. Prior appointments are given to the patients for these clinics. Orthopaedics and Gynaecology - Obstetrics consultations are available on daily basis in the morning times. Emergency services are provided round the clock for adopted patients only. The serious patients are transported to hospitals/nursing homes in the nearby twin cities of Jagadhri/ Yamunanagar.

Looking at the difficulties faced by the patients coming from far off places to avail the token system, a new successful system of telephone booking of tokens has been introduced through a dedicated contact number.

5.2 Out Patient work:

The Outpatient starts at 8 am in the summers and 8.30 am in the winters with *Aunkaram* and Veda Chanting, followed by "*Sarva Dharma Prarathana*". The *Vibhuti Parsadam* is then distributed and the patients are made to sit comfortably, men and women separately. The patients are seen on first-come-first-serve basis using a digital token display system. The adopted patients, toddlers and senior citizens (>65 years of age) are given priority.

OPD WORK LOAD DURING LAST THREE YEARS:

| Year | Total OPD Pt | Specialist OPD Pts | Tb New Pt. | X-Rays | Lab Invest. | Emergency cases |
|---------|--------------|--------------------|------------|---------------------|----------------------|-----------------|
| 2022-23 | 18704 | 10128 | 01 | 3100 (180, 5.8%) | 3652 (348,9.5%) | 77 |
| 2023-24 | 19482 | 10293 | 02 | 3610 (380,10.5%) | 3601 (438, 12.8%) | 183 |
| 2024-25 | 20416 | 13271 | 01 | 4555 (360, 7.9%) | 4322 (529, 12.2%) | 73 |

(Figures in parentheses are the numbers related to adopted patients).

Considering that there were 301 working OPD days during 2024-25, the average number of patients attending the OPD per day was 68, with percentage of adopted patients as 71.8% of the total OPD registration.

The Sadan has a humble “health Wing”, mainly the OPD, dealing all patients with love and compassion. The wing has earned a name for fair dealing and positive approach. Patients come for free consultation from far off places of UP, Utranchal, Haryana & Panjab. Popularly known as “Sai Baba Ka hasptal”. A large number of orthopaedic patients come for balanced opinion and treatment. The unit has a clinical laboratory manned by a senior lab technician, a 300-mA digital X-Ray Machine and state of the art Dental chair. There are four observation beds, but the patients requiring Indoor treatment are taken to Nursing Homes in Jagadhari/Yamuna Nagar. Ambulance service is available round the clock for this purpose. For the convenience of patients coming from far off places, telephone booking of token has been introduced

Anti-tubercular treatment:

Since the beginning in April 1993, a total of 154 patients (average: 05 per year) of tuberculosis (Pulmonary and extra Pulmonary) have been diagnosed in adopted population of Darwa village. The breakup of these cases is as follows:

- *Healed and rehabilitated: 142 *Recurrence: 04 (Treated subsequently)
- *Died due to the problem: 06 *Treatment discontinued by pts.: 01
- * Active case under treatment: 01

While the incidence of Tuberculosis is on the rise all over India, the incidence in village Darwa has been on the decline. Thanks to persistence efforts to persuade the villagers to follow the standard hygienic habits and give up smoking.

Other chronic disease patients who are taking medicines on regular basis are: Hypertension -85, Diabetes Meletus -16, Epilepsy- 01, Thyroid dysfunction -02.

5.3 Diagnostic Laboratory, ECG and X-Rays:

A state-of-the-art diagnostic facility has been created recently. The equipment was donated by "Round Table" India. It has been manned by a qualified Laboratory Technician to prepare hematology, bio-chemical and Urine analysis investigation reports. Samples for more sophisticated tests are sent to advance Laboratories at Chandigarh/Delhi. An ECG machine is also now available for the Outpatient. The 300mA X-Ray digital machine is having a backup of 25KVA generator as an alternative source of power. As per legal obligation, the Sadan Hospital and the X-Ray technician are registered with Atomic Energy Regulation Board for monitoring the X-Rays exposure to the technician.

5.4 Some facts about rural Health services:

- a) Common ailments: Contrary to the common belief, the rural women are found to be commonly suffering from Hysterical neurosis. Worst of all, the family members don't understand it and get exploited by unscrupulous nursing homes. Second common problem is Epilepsy due to Neuro-cystecercosis.
- b) The problem of alcoholism is taking a toll on the socio-economical milieu of poverty and undernourishment of family members, domestic violence etc. Death in young age due to chronic alcoholism is common. Illegal sale of liquor in the village is continuing in spite of several representations submitted to the authorities.
- c) The quacks ("doctors") are playing havoc with the psyche of the villagers. These "doctors" also work as touts for the nursing homes flourishing on illegal medical malpractice, resulting in unwarranted costly investigations and unwarranted operations such as appendectomies and hysterectomies etc.

HEALTH UNIT - OTHER SERVICES

The Health Unit has full set of routine Physiotherapy equipment like automatic traction machine, SWD, Wax bath, shoulder wheel etc.

There are 4 observation-beds available in the health unit for care of the patients requiring short observations.

The ambulance service is available 24X7 for the adopted patients for shifting the patients to designated nursing homes in Jagadhri and Yamuna Nagar

5.5 The School Health Services: Kindly see health under “Education”.

Calcium + Vi D tablets are given to all the children of the school on regular basis. In all, a total of 22500 tablets (from class IST to Xth) + unspecified sachets of Vit D granules (for pre-school classes) were given during the year.

5.6 Indoor Patients:

As per policy, the patients from adopted villages requiring indoor treatment are admitted to various Hospital/Nursing Homes at Jagadhri/Yamuna Nagar for different problems. Besides, the financial help, these patients are given logistic support in the form of personal visits, arrangement of blood, food and transport. Financial help was given to deserving patients for their sophisticated costly laboratory investigations. A brief summary of these patients is given in Annexure-III (page 58).

5.7 Births and Deaths:

A regular record of births and deaths in village Darwa is kept meticulously (tabulated). The data of births has been useful for keeping the immunization record of all the newly born and for admission to nursery class of Sri Sathya Sai Jagriti Vidya Mandir.

| Year | Births | Death |
|---------|--------|-------|
| 2022-23 | 18 | 10 |
| 2023-24 | 10 | 10 |
| 2024-25 | 19 | 07 |

5.8 Feed Back Mechanism:

A team of doctor and volunteers visit the village every Tuesday and some of the Saturdays for interacting with the beneficiaries with the purpose of getting “feed-back” from them and for their counselling in the matter of health and the education of their children. This gives them the opportunity to update the family data in the Sadan records. The inputs from these visits help in making micro-adjustments in delivery system of the various service activities.

5.9 Drug store: The generic medicine drug store, supplying low cost generic medicines, has proved to be a big boon to the health activities.

“When you go to hospitals to render service, actually you do not cure and serve others. You cure yourselves – your emotions, feelings and heart undergo an unseen transformation. But that happens when you render service a worship”.

- Sai Baba

6. Jagriti Lok Sewa Trust and its activities

The management of four service units of the Sadan are outsourced to Jagriti Lok Sewa Trust under an MOU. These units are:

- 6.1 *Masala* production Centre
- 6.2 Diagnostic Path Lab.
- 6.3 Drug sale point
- 6.4 X-ray unit

The essential features of MOU signed between the two trusts:

1. No trustee will be paid any salary
2. The appointment and termination of the employees and their service conditions will be decided by the trustees of these two trusts.
3. Lok Sewa Trust will pay the salaries, purchase the usable items.
4. After deducting all the expenses, 50% of the net profit will be paid by the Lok Sewa Trust to Sri Sathya Sai Gramin Jagriti Society towards the usage of the premises, electricity, water, security etc.
5. Lok Sewa Trust will provide absolutely free services of X-Ray and Path lab to all the adopted patients. Drugs to the adopted population is dispensed by Sadan doctors.

6.1 Masala (spices) production centre was established in September 1994 with the following aims in mind:

1. To provide vocation to the rural women so that their economy is improved. Three women and a village boy have been employed in the *Masala* Centre.
2. To educate these working women in basic hygiene so as to improve their health.
3. To provide pure high-quality *masalas* (spices) to the society.

Strict control on quality is maintained at the point of purchasing of the raw materials and production. Each packing has a label, indicating the name of the *masala*, its date of manufacture, weight when packed and its cost. In case of any complaint, the material is replaced without asking any question.

The sale is promoted by the members in their social circles, both at Yamuna Nagar and Chandigarh. A sale counter has also been kept in the hospital section which attracts many visitors.

This year, the average monthly salary of ₹3215 has been disbursed to three rural women for their labour working for an average of 2 hrs per day. A comparative data of Masala Centre over the last 3 years has been tabulated as follows:

| Year | Total sale Of Masalas | Total Wages Disbursed | Women Employed | Average Wages of a worker/month (2 hours/day) |
|---------|-----------------------|-----------------------|----------------|---|
| 2022-23 | ₹4,66,684 | ₹73,718 | 02 | ₹3072 |
| 2023-24 | ₹6,16,685 | ₹77183 | 03 | ₹3215 |
| 2024-25 | ₹6,17,613 | ₹91,203 | 03 | ₹3500 |

6.2 Diagnostic path lab: A state-of-the-art lab has been commissioned with a qualified and experienced technician to carry out the routine diagnostic test. We claim to provide low cost -high quality services.

6.3 Sri Sathya Sai Drug sale point: On receiving the feedback from the high cost of medicines prescribed by the Sadan doctor, it was decided to open a “drug sale point” in the premises. It has been a great success. Patients are feeling blessed with this Sai gift. Many dropped out patients have restarted their treatment. Some of them observed that 15 days drug therapy from these center = 2 days from outside retail drug stores. Of course, the quality is not compromised.

6.4 Diagnostic x-rays: Basic x-ray facility is available. The radiographer is a local boy trained by the Sadan to receive diploma. The digitalisation of the X-Ray was carried out to improve the output of the services. The charges are one third of the market.

| Unit | Receipts | Payments | Gain/loss |
|-------------------|----------|----------|-----------|
| Masala Centre | 712314 | 629915 | +82399 |
| Drug Stores | 4147962 | 3620954 | +527008 |
| Diagnostic lab | 579092 | 449588 | +129504 |
| Diagnostic X-rays | 279543 | 416064 | -136521 |
| Total | 5718911 | 5116521 | 602390 |

JAGRITI LOK SEWA TRUST

Masala (spices) production centre was established in September 1994 with the following aims in mind: 1. To provide vocation to the rural women so that their economy is improved. 2. To educate these working women in basic hygiene so as to improve their health. 3. To provide pure high quality “hand ground” *masalas* (spices)

The best raw materials of the masalas (spices) are procured from the market. The materials are cleaned, grounded and packed hygienically. There is a quality control at each step of the production. A solar drier is used to dry the raw material.

6.5 Employment opportunity: The various wings of the project are providing job opportunities to the adopted population. In the non-technical areas, the jobs are offered to economically weaker families of the adopted population, irrespective of caste or creed. But for the technical jobs, the applicants from the adopted villages are required to compete with others in a merit based open/transparent selection process.

Besides the two doctors working on voluntary basis, there are 48 regular paid jobs available in the project. Out of these total 48 jobs, 29 are occupied by the inhabitants of villagers. One village woman has been engaged to run the *Sadan* canteen.

All the employees are covered under ESIC and EPF schemes.

The details of villagers employed under in the different wings are given below:

| Wing | Technical | Non-Technical | Total (Rural)* | Remarks |
|---------------|---|--|----------------|--|
| Education | *Teachers Including the Headmistress 21(06) *Part time sports coaches=2 | *Non-Teaching staff and Sai Kitchen sewikas = (06) | 29(12) | Five teachers are school alumni. Six teachers from rural area |
| Hospital | *Doctors= 2 (Both Volunteers) *Radiographer=(1) *Lab Technician=1 *Pharmacist =(1) | General Assistants = (2) Safai Karam Chari = (1) Assitt. Pharmacist= (1) | 9(8) | Both the doctors live in campus |
| Masala Centre | *Assistant Manager=1(1) | Workers= 3(3) | 4(4) | All from Darwa |
| Common Pool | Supervisor =1 | Malee= (1) Chowkidar= (3) Canteen= (1) | 6(5) | Supervisor from city |
| Total | 30(11) | 18(18) | 48(29) | Out of total of 48 employees, 29 are occupied by villagers |

**Figures given in parenthesis are pertaining to rural category*

“Let new India arise out of the peasants’ cottage, grasping the plough; out of the fisherman, the cobbler and the sweeper. The peasant, the shoe-maker, the sweeper, and such other lower classes of India have much greater capacity for work and self-reliance than others. They have been silently working through long ages and producing the entire wealth of the land without a word of complaint”.

-Sri Sathya Sai Baba

7. SPIRITUAL PROGRAMMES

Highlights:

- * Celebrations of all the festivals and important cultural & heritage events to inculcate in the minds of beneficiaries the importance of ancient Indian culture and inter-religion fellowship, based on multi-pluralistic Indian society.
- * *Sarva Dharam bhajan* sessions on Sundays, Thursdays and all festivals. *Suprabhatam* and *Nagar Sankirtan* on every Sunday and festival, *Narayan Sewa* on the last Sunday of the month.
- * Regular Bal Vikas classes on every Saturday by Mrs Madhu Sharma, Former Headmistress of Sri Sathya Sai Jagriti Vidya Mandir along with another Bal Bikas Guru Smt Anupama Chhabra.

Besides inculcating the 5D's (Duty, Discipline, Devotion Determination and Discrimination) in the children, these spiritual programmes are bringing subtle changes in the life style of the people attached to the project in various capacities.

We pray to Bhagawan Sri Sathya Sai Baba to restore the old enthusiasm in the hearts of our worthy members so that they participate in these programmes more vigorously to enjoy the bliss of taking a dip in the Ganges - the ocean of love, flowing at our doorsteps.

8. FUTURE PLANNING

Bhagawan Sri Sathya Sai Baba had told a group of society members in an Interview that the evolution of this project is directly proportionate to the individual evolution of the workers working in His mission.

“Project Evolution \propto Personal evolution of the workers”- Baba

Nevertheless, the society places following future plan at the LOTUS FEET for bestowing His blessings and loving Grace.

- Up gradation of school to senior secondary (10+2) level

9. Analysis of the Balance Sheets of the society for the year 2024-25

The Balance Sheet, Income and Expenditures Account and Auditor's Report of the society for the financial year 2024-25 are attached at the end of the report. The following salient features are, however, worth noting:

- 9.1 **The total receipts** from various sources during the financial year 2024-25 were ₹1,85,41,604 as compared to that of the previous year of ₹1,55,16.632 (HIS grace) as per details given below:

| | | (In Rupees) |
|---|-------------------------------|--------------------|
| A. <u>Contributions:</u> | | |
| | Inland: | 11541280 |
| | Overseas: | <u>2092002</u> |
| | Total: | 1,36,33,282 |
| B. Interest Income: | | |
| | Received (Saving Accounts): | 153564 |
| | Received on FD's with Banks: | 4679746 |
| | Interest on Income Tax Refund | 23017 |
| c. Reimbursement of Electricity Expenses | | 21815 |
| D. Miscellaneous | | 30180 |
| Grand Total | | 1,85,41,604 |

- 9.2 **Fixed assets:** During current financial year 2024-25, following capital expenditures on Fixed Assets were made:

| S.No | Item | Amount (in rupees) |
|------|----------------------|-----------------------|
| 01 | LED screen | 49,990 |
| 02 | Solar Power plant | 1,93,460 |
| 03 | Air conditioner | 31,670 |
| 04 | Generator & Invertor | 8,700 |
| | Total | 2,83,820 |

As per Income Tax Act, **the depreciation on fixed assets** of ₹1548593 has been provided in the Balance Sheet for the financial year 2024-25

9.3 Investment in safe instruments: As on 31-3-2025, the total investment of the society in safe instruments is including accrued Interest thereon, as per details given in the table:

| Investment Instrument | Principal Amount invested (Rs.) | Interest Accrued (in Rs.) | Total value on 31-3-2025 |
|---------------------------------|---------------------------------|---------------------------|--------------------------|
| FD with State Bank Of India | 1500000 | 118080 | 1618080 |
| FD's with DCB bank | 35651834 | 1704787 | 37356621 |
| FD's Equitas Small Finance Bank | 18400000 | 2781937 | 21181937 |
| Total | 55551834 | 4604804 | 60156638 |

Grand total: ₹ 6,01,56,638

10. ACKNOWLEDGEMENTS

First and foremost, the members of the society, most humbly, surrender at the Lotus Feet of Bhagawan Sri Sathya Sai Baba and convey their sincere thanks and gratitude to the loving Lord for His gift of Sri Sathya Sai Gramin Jagriti to this part of the country, thus giving all of us an opportunity to evolve ourselves by working in His mission. Thank you, Swami!

Next, the beneficiaries, the rural population of Darwa, Darwa Majri and Parwalon villages and many patients/students coming from far off and near places, deserve our sincere thanks for giving us the opportunity of serving them. We pray to Swami to pardon our shortcomings in discharging our duties and to help us to improve ourselves in our day to day working.

We feel specially obliged to CA Ravinder Agarwal and his team for auditing the accounts of the society and preparing the income/expenditure reports and signing the audit report without charging any fees.

The following institutions/persons have been helping the society selflessly in carrying out the various activities:

Balraj Gupta foundation and M/S Kamal Encon have been contributing regularly to create/upgrade the various infrastructures. We appreciate and convey our sincere thanks to the management of both of these Industrial houses.

Benny & Hardip Sandhu, Saiba Sandhu, Susan Dhindsa, Sameera Mavi, Balraj Mavi, Anita Sharma, Sukhjinder Sidhu, Bishan Mavi, Manjit Pawar, Dr Dhody, Veena Bhambra, Dr Dinesh Bhugra, Om Yogi and Anita Wadhawan are regular donors from UK. The society appreciates their act of charity. Some of them have adopted economically weaker children of our school. God bless them all! Interestingly, Dr Dinesh, Professor Emeritus of Psychiatry in Kings Medical College London (UK) belongs to Yamuna Nagar. Ms Anita Wadhawan contributes to the funds of Sai Jagriti regularly in everlasting memory of her departed mother. Mr J.S.Tur, Mrs Malti Loomba and her daughter Miss Samita Loomba from USA. We are grateful for their support.

Dr. Arun Gupta and Dr. AVS Ravi helped us in treating our Paediatric patients and monitoring the health of our school students by screening them clinically in the school biannually, coinciding with Eshwamma Day and Baba's birthday. Dr Parveen Garg deserves our special thanks for sparing much of his valuable time from his very busy schedule to offer free medical consultation fortnightly on Tuesdays in the afternoon session.

Dr. Romesh Aggarwal was available for Dental clinic in the Sadan round the year. He carried out regular dental health check-up of all the students in the school twice in a year. Dr Mohinder Mehta and Dr Mrs Meena Mehta provided mangoes and plumbs during the season for all the students and staff from their orchids. Thank you doctors!

We are grateful to M/S Kamal Encon Industries (KEI) Limited Yamuna Nagar and M/S Polyplastic (I) Pvt Ltd Yamuna Nagar for their logistic support 24X7. From KEI, Shri Ajay Kumar was our trouble shooter for software and net connectivity problems. CA Shri Sudhir Gupta and Shri Sukhvinder Singh maintained the account books of the society meticulously. Shri Raman Kumar looked after the ESIC and EPF accounts of the society. Shri Rishi Pal was the electrician available for fault repair in Generator system etc.

A team from M/S Polyplastics (I) Pvt. Ltd. provided regular maintenance services of the infra structure of the Sadan. Shri Ashok Kakkar was very sincere in electricity faults repair jobs whole heartedly and the two carpenters, Shri Ram Nath & Shri Rajbeer handled the carpentry maintenance work in the project relentlessly. All these gentlemen deserve our deep appreciation. Shri Manoj Kumar driver of Mrs Urmil Gupta was very helpful in doing odd jobs during his daily visits to Sadan.

Besides this, there is a long list of regular contributors inspired by Bhagawan Baba who are contributing generously to the funds of the society. The society feels indebted to each one of them. It would not have been possible to run the activities of the society without their selfless help. Even the prayer of many well-wishers is helping the mission to grow (at subtle level) vertically and horizontally.

We shall be failing in our duty if we do not appreciate and thank Mrs Madhu Sharma, the former headmistress of SSSJVM, who is conducting Bal Vikas classes for our students on regular basis. Our special thanks to Mrs Himani Sharma, Headmistress of Sri Sathya Sai Jagriti Vidya Mandir for proof reading the draft of this report meticulously.

Last but not the least, we are grateful to all those who are critical and skeptical of our work in Sai mission. It is because of them that we have been improving our services delivery systems and making our convictions stronger day by day.

“The END is not the end. In fact, E.N.D means Efforts Never Die”

-Dr APJ Abdul Kalam

Annexure I

ACTIVITIES UNDER Sri Sathya Sai Vidya Vahini and National Council of Sri Sathya Sai Schools

Visit of Mrs Monica Suri, Coordinator of SSSVV school in North India

Mrs. Monica Suri, Coordinator of SSSVV North Schools, visited our school on 27th April 2024, accompanied by her husband. An orientation on the Saiin App was held, with online guidance from Director Mrs. Karuna Munshi. Mrs. Suri inspired staff with her words on evolving education and Swami's divine

support.

Sri Sathya Sai National Council for Sai Schools Teachers Training Workshop Phase –II

With Swami's blessings, the Phase II of the Teacher Training Workshop held from 01–07 June 2024. The Certificate Course included hybrid sessions, insightful presentations, and activities through which teachers

understood the true essence of Sri Sathya Sai Education

Annexure II. Ancillary Activities

* 99th Birthday of Bhagwan Sri Sathya Sai Baba* and 28th Annual Day Celebrations 🎉🎉🎉🎉

The day began with divine Sarva Dharma bhajans in Sai Sadan, followed by a majestic palki procession of Swami's idol, accompanied by the chanting of Veda mantras. The air was filled with the sacred sounds of conch bells and Vedas. ॐ ॐ The procession culminated at the Balraj Gupta Hall,

where Swami's idol was placed on a beautifully decorated altar.

Annual Report 📄 Smt. Sunita Bogra presented the annual report, highlighting the school's achievements during the 2023-24 session.

Glimpses of the Cultural Programme: **"Navchetna"**

"Shakti Vandana"

A divine dance presentation by junior girls, filling the air with spiritual vibes of Maa Durga.

"Small Steps Big Impact": The pre-primary wing's fancy-dress show conveyed a powerful message about adopting healthy habits.

"Vande Sai Maa": The final presentation depicted Swami as the ultimate saviour and guiding light.

Divine Glory : A Birthday offering to Bhagwan Baba

Prize Distribution: The academic, 100% attendance, sports, and miscellaneous prizes were awarded to deserving students.

Vanshika, daughter of Sh. Meher Chand from Darwa, received the prestigious Balraj Gupta Award containing a cheque of 11000/- a certificate, medal and gift hamper. This year, it was decided not to pack any prize or gift in paper wrapper to avoid wastage of paper and contributing our environment.

Vote of Thanks 🙏🙏 Headmistress Mrs. Himani Sharma expressed her

gratitude to everyone involved. President Sh. Kamal Gupta Ji also thanked each one for their contributions.

Blessings* 🙏🙏🌸🌸 Chief Guest Sh. Ghansham Das ji, MLA, blessed the audience with his thought-provoking words and appreciated the Darwa family's selfless work

The programme concluded with a 🍰🍰 cake ceremony, birthday song, and Mangal Aarti 🙏🙏

Maha Langar
Parsadam after the
celebrations for all
the attendees

Thankyou Swami for blessing us with your grace and divine showers.

Love Swami and His teachings and let them amplify 🙏❤️

Families Get-Together Day: On 8th December with the grace of Bhagwan Sri Sathya Sai Baba, the Families Get-Together Day, organized by the management of Sri Sathya Sai Jagriti Sewa Sadan, Darwa, was a resounding success.

A beautiful divine experience of Swami's leela and 3 sec transformations of a US doctor, shared by Dr. Upadhayay ji, which was showcased on the LED screen.

The event brought together the teaching and non-teaching staff members, hospital staff, their spouses, and members of the management. The collective presence of the

families created a joyous atmosphere.

As a token of appreciation and love, the blankets were gifted to our non-teaching and hospital staff, while teaching staff received Swami's diaries. This thoughtful gesture was met with gratitude and enthusiasm.

Each member got a chance to come forward and share a few lines about themselves and their families. This heartwarming exercise was enjoyed by all.

Other Ancillary Cultural/festivals

22-04-2024 Earth Day Celebrations: "Little Hands, Big Impact—Let's Care for Our Planet!"

24th April 2024 Aaradhan Mahotsav :
On this sacred Diwas, we express our gratitude to Bhagawan Sri Sathya Sai Baba, whose divine presence
